Wet and dry vacuum cleaners

WD 3.200

Details

Description

Compact, practical and versatile: The new Entry Class of Wet & Dry Vacs is equipped with impressive new features that meet the highest standards. With 1.400 W max. power, 17l container, high wet vacuuming capacity and optimal convenience of use this Wet & Dry Vac is the perfect help for indoors and outdoors. Of course of the top quality one can expect of Kärcher.

Application

Suitable for continuous use in vehicle interior, house and yard as well as outdoors. Also the ideal help for cleaning after workshop and renovating activities and for effective vacuuming of water.

Features & Benefits

Special cartridge filter - available exclusively at Kärcher Special material enables wet and dry vacuuming without changing the filter. Blower Function Helps wherever vacuuming is not possible. In this way e.g. leaves can be blown out of a gravel pit. Parking position Ideal for breaks: the parking position for quick and convenient stowage of suction tube and floor nozzle directly on the machine. Practical accessory storage Space saving, handy and secure storage of suction hose and accessories included in scope of supply or bought later. Compact style Ensures flexibility during the application and a space saving storage of the vac. Large container capacity Enables vacuuming lots of water and dirt. Extra flexible suction hose with ergonomic handle For optimal working convenience. Large cable hook For secure and convenient cable storage. "Pull & Push" system To open and close the vac easily and fast. Ergonomic handle For comfortable handling. Plastic container Robust and impact resistant.
